It is savings expected in the same head to which the charge is ~~probably~~ properly debitable that is meant to be utilised. I doubt whether a reappn stt is required in such cases. Please consult rules of Fl Deptt.

A draft sanctioning the proposal & calling for a reappn stt if necessary (may be) submitted.

The Expenditure in connection with the Industrial School is met from Local Funds General under Public Debt ~~Revenue debt head~~ That budget Contr. in several Major heads of which No VII relates to Estt. Under each major head there are several minor heads 4

Reappns under the same Major head up to Rs 25000 do not appear to require the sanction of Govt or the Finance Dept - Please see rule 26 Part I Budget Rules

If the Inspr Genl of Education can suggest a re-appn under the above rule, he can arrange to have the transfer effected in communication with the Compt.

Otherwise, a reappn statement is necessary

28/4/03

Draft put up

There is no provision for the pay of a temporary clerk in either Major head VI V of the Industrial School Budget. That being so & the 19 para 28 being in rules & contingent grants element a reappropriation seems necessary under Rule 21

The Comptroller with his letter No 1518/2d F of 20 6-03 forwards the reapproporiation statement received from the DI of Edn

A sum of Rs 125 is proposed to be reappropriated from the savings available under establishment charges of the Industrial School

The purpose for which the reappropriation is necessary is for the pay of a temporary Clerk lent to the School from the D.P.W. ie a case of reapproporiation within the same Major Head. This seems to require (under Rule 26) sanction in the Financial Deptt

A draft is subd for approval.
